PROFESSIONAL EXPERIENCE

FACEWORKS, Louisville, KY

RN, Sep 2009 – Present

- Evaluate instructor performance and the effectiveness of training programs, providing recommendations for improvement.
- Analyze training needs to develop new training programs or modify and improve existing programs.
- Conduct or arrange for ongoing technical training and personal development classes for staff members.
- Confer with management and conduct surveys to identify training needs based on projected production processes, changes, and other factors.
- Train instructors and supervisors in techniques and skills for training and dealing with employees.
- Faceworks is a facility that provides hands on Pharmaceutical grade facial services. I managed the employees, front-line desk, orders and provided hands on service for clientele.

BAPTIST NORTHEAST HOSPITAL, La Grange, KY

Registered Nurse, Feb 2000 – Jan 2009

- I worked Med-surg, ICU, Pre-Op/PACU, ACC. I was trained to insert PICC Lines. I worked on-call hours for the surgery department.
- Administer medications intravenously, by injection, orally, through gastric tubes, or by other methods.

- Set up and monitor medical equipment and devices such as cardiac monitors, mechanical ventilators and alarms, oxygen delivery devices, transducers, and pressure lines.
- Evaluate patients' vital signs and laboratory data to determine emergency intervention needs.
- Prioritize nursing care for assigned critically ill patients based on assessment data and identified needs.
- Document patients' medical histories and assessment findings.

ADDITIONAL SKILLS

- Worked for nine months doing hands on care for patients in a family practice for my clinicals. I did EMR charting, Diagnosing, and wrote prescriptions.
- I learned to read laboratory values and assess patients based on their presenting factors.

CREDENTIALS AND LICENSES

- APRN #3014341
- RN #1093428
